

Acronym	Name	Description
TWIC	Transportation Workers Identity Credential	
SAS	Personal Survival at Sea	
FSTAID	FirstAid /CPR	
PSSR	Personal Safety & Social Responsibility	
FIRE	Basic Marine Firefighting	
STCW	STCW Endorsement	
FRCSB	Fast Rescue Craft VI/2-2	This is a SOLAS requirement specifically for operation of a fast rescue boat that can be launched (and recovered) quickly from a large (very high freeboard)vessel moving at a considerable speed - like a very large container ship or car carrier. It is designed to recover a MOB when the vessel is moving away at a high rate of speed, with very limited maneuverability. The training designation for this training will specify VI/2-2 on the cert/ license
LFBOAT	Lifeboatman VI/2-1	This is a certification to operate a lifeboat or survival craft and is designated on the cert or license by VI/2-1
SBT	Small Boat Training	This is issued by TDI or USCG to certify a crewman or survey party member who does not have lifeboat certification to operate a small craft
CSE	Confined Space Entry	
BRM	Bridge Resource Mgmt	
GMDSS	Global Maritime Distress & Safety System	
INCINV	Incident Investig	Computer based training course on this topic
MASTER	Master's License	
SECUR	ISPS Ship Security	ISPS Code- Vessel Security Training
MATE	Mate's License	
ENG	Engineer's License	
MM	Merchant Mariner	
AB	AbleBodied Seaman	
OTP	Oil Transfer Procedures	
FDMED	Food Medical	
NPDESVP	Vessel General Permit	To meet EPA requirements for National Pollution Discharge Elimination System - Vessel General Permit. For vessels operating within permit waters (3 miles from US shore)
FDSFTY	Food Safety	
GTEC	Geotech Lab	
GTECM	Geotech Mgmt	
NAV	TDI-Brooks Integrated Navigation System	
ISM	ISM Code Training	International Safety Management Code
NS5	NS5 Vessel Mgmt System	
RIGG	Rigging	
HAZCOM	Hazard Commun	
GAS	Compressed Gas Cylinders	Computer based training course on this topic
HSE	Health Safety Environment	
FP	Fall Protection	Computer based training course covers working in heights situations.
HEAT	Heat Stress	Computer based training on this topic
TOOLS	Hand and Power Tool Safety	Computer based training course on this topic
HEARCON	Hearing Conservation	
LOTO	Lockout Tagout	Computer based training course on this topic
WELD	Welding Safety	Computer based training course on this topic
WINCH	Winch & Crane Operator
