Work Experience:

TDI-Brooks International Inc

14391 S Dowling Rd

College Station, TX 77845

Phone: (979) 693-3446

April 2012 - Present

Position: Chief Mate

Duties: Primary responsibilities include overseeing the general day-to-day vessel operation under the direction of the Captain. Tasks include the management of the crew (AB, OS, and Cook) working onboard, being the onboard Safety Officer, and inspections on the safety gear aboard the vessel. Over the past 4-1/2 years with TDI I have been involved with several projects domestically and abroad. I have been involved with several large projects and have much experience holding and maintaining station while scientific equipment was deployed to the seabed.
