Education

Texas A&M University, Galveston, TX
Bachelor of Science in Marine Transportation, Dec. 2016
Major GPR: 3.184
United States Naval Academy, Annapolis, MD
Focus in Naval Architecture, Jul. 2010– Jan. 2013

Employment

Key Lakes Fleet, M/V Great Republic

Deck Cadet, Sept. 2016– Oct. 2016

- Supported the Third Mate in the navigation of the vessel through the Great Lakes using the ECS to ensure the safe arrival of the vessel, crew, and cargo.
- Assisted in the loading and unloading of bulk cargo by observing the cargo, reporting draft marks and sounding ballast tanks ensuring the stability of the vessel and quality of the cargo.

Texas A&M University, Galveston, TX

Teaching Assistant, Sept. 2015– May 2016

- Assisted in teaching Basic Safety & Lifeboatman by coaching 200 freshmen in the launching and recovery of an open, gravity davit lifeboat and by maintaining a record of students' progress in Microsoft Excel as required by STCW.
- Supported the instructor in the instruction of Fast Rescue Craft by maintaining a record of students' grades in Microsoft Excel as required by STCW.

Military Sealift Command, USNS John Ericsson

Deck Cadet, July 2015– Sept. 2015

- Aided in the safe navigation of the vessel in the designated area of operation by regular verification of position via GPS, visual, and radar fixes on both nautical charts and the ECDIS ensuring successful completion of the mission.
- Conducted safety inspections of life saving and firefighting equipment in accordance with SOLAS and the Military Sealift Command SMS resulting in a superb Coast Guard Certificate of Inspection.

Texas Westmoreland Coal Co., Jewett, TX

Environmental Intern, May 2013 – Aug. 2013

- Developed maps from original land use surveys and current aerial maps using AutoCAD for future Railroad Commission of Texas reclamation permits.
 - Reviewed and logged safety inspections for contractor equipment in accordance with Mine Safety and Health Administration requirements.
-
