Professional Experience

TDI-BROOKS INTERNATIONAL · College Station, TX · Oct 2019 to Present

PORT CAPTAIN / DESIGNATED PERSON ASHORE

Port Captain / DPA tasked with monitoring TDI-Brooks marine assets and ensuring their compliance with international regulatory requirements. This involves keeping abreast of new rules, regulations, and legislation relevant to the TDI-Brooks and the operation of company's assets globally.

Also providing marine-related input and advice to parties within, and outside, TDI-Brooks management

Key Accomplishments:

- Develop and Manage Company's Safety Management System for all assets.
- Manage a fleet of Research vessels worldwide including Compliance, Budgeting, Personnel, Maintenance.

EPIC COMPANIES • Houston, TX • May 2019 to July 2019

MARINE ADVISOR

Marine Advisor tasked with monitoring EPIC Companies marine assets and ensuring their compliance with international regulatory requirements. This involves keeping abreast of new rules, regulations, and legislation relevant to the EPIC Companies and the operation of our assets globally.

Also providing marine-related input and advice to parties within, and outside, EPIC Companies management,

including ship superintendents, project managers, client representatives, and personnel in charge of coordinating vessels.

Develop new Marine assurance procedures for EPIC Companies to ensure the highest level of compliance for contracted assets. Including special projects such as pre-purchase, suitability, dry-dock inspections.

Key Accomplishments:

- Develop Companies Marine Assurance Procedures for all assets.
- Manage a Diving / Sub-Sea Construction vessel in Mexico including Budgeting, Personnel, Ordering of Equipment

SAILOR'S SOCIETY • The Woodlands, TX • Apr 2018 to Present

AMBASSADOR

Play a key role as Ambassador by aiding merchant marine sailors with any health or personal needs while onboard U.S. Flag and Foreign flagged vessel. Arrange communications link between sailor's and their family members around the world for special occasions.

Key Accomplishments:

- Increased the Houston based ambassador team by 50% within 1 year.

LONDON OFFSHORE CONSULTANTS INC. • The Woodlands, TX • Jan 2018 to Apr 2019

MARINE ASSURANCE ADVISOR

Contribute to the success of company's progression by managing marine assurance operations, including DP Trails, FMEA's, DP Gap Analysis, Suitability, and Marine Warranty Surveys. Improve DP system performance by conducting numerous FMEA gap analysis as well as proving and annual trials to support on board offshore vessels while assuring vessels meet intended standard of DP performance. Prepare and update various DP FMEAs for offshore vessels. Ensure current configuration of fire-fighting systems within MODU (Mobile Offshore Drilling Unit) in line with all regulations, requirements, and best practices. Perform suitability surveys, close-outs, and audits of various offshore assets used for the installation of the Appomattox unit offshore.

Key Accomplishments:

- Formulated operational manuals such as LFL and MARPOL for well stimulation vessel as well as devised garbage and ballast water management plan that reduced harmful effects on the marine environment.
- Reduced the portable fire-fighting systems on board a MODU by following all applicable rules and regulations which minimized 28% reduction in man hours for inspection installed equipment at the required intervals.
- Examined and approved vessel and barges for the construction of LNG terminal in Jamaica.

- Increased 15% profitability of marine assurance business by changing billing and day rates as well as in the utilization of freelancers.

ENSCO INTERNATIONAL • Houston, TX • Jan 2014 to Dec 2018

CHIEF MATE / SR. DPO / QA AND QC INSPECTIONS

Acted as in-charge of a DP watch on a 6th Generation Drill Ship for conducting and overseeing Sea Trails, FMEA, and Classification audits. Ensured all navigation and DP operations in line with company's policies and procedures, regulatory requirements, OIM/Master orders, and good safe working practices. Provided assistance at various locations for Factory Acceptance Tests (FAT) and QA/QC inspections for the Capital Projects division. Wide knowledge of DP operating systems such as Kongsberg K-Pos 22, Kongsberg DGPS 232 / 132, HiPap 501 Acoustics, K-Safe, and K-Chief.

Key Accomplishments:

- Supervised and delivered 6th generation Drillship by 20% under budget with a reduction of man hours.
- Saved millions of costs by re-activating 6th generation drill ship under budget.

OCEANEERING INTERNATIONAL • Morgan City, La • Dec 2011 to Jan 2014

MASTER / SR. DPO

Managed operator change of the vessel M/V Ocean Alliance (formerly Cade Candies) in compliance with all regulatory and government requirements. Conducted sea trials, FMEA, OVID, CMID and vessel acceptance tests for the charterer and owner. Administered initialization of new required equipment throughout the vessel to meet new regulations. Performed survey operations for the Oil and Gas fields by utilizing ROV/Pipe lay and Starfix/Navipac programs.

Key Accomplishments:

- Administered initialization of new required equipment throughout the vessel to meet new regulations.

*Additional experience as **Master / Sr. DPO** at Oceaneering International, as **2nd Mate Unlimited / DPO** at Transocean International, as **Master / DPO** at Edison Chouest Offshore*
