AMERICAN BUREAU OF SHIPPING, being duly authorized, having surveyed and measured the vessel having certified its build, dimensions and tonnages in Certificate of Measurement to be as aforesaid and having further certified that the markings required by law have been made and that the tonnages were determined and located as shown in detail in said Certificate of Measurement; and the owner, having agreed to the description and measurements therein set forth; and having complied in all other respects with requirements for the issuance of this Permanent Certificate of Registry, the vessel is therefore duly registered under the Laws and Flag of the Republic of Vanuatu.

ISSUED by the Authority of the Government of The Republic of Vanuatu under my hand and seal at New York, New York on November 12, 2020.

BY: MARIANA STRIMBU (By Direction)
Deputy Commissioner of Maritime Affairs
The Republic of Vanuatu
