

Request for Quote Form

Please complete the following form and email to: labinfo@tdi-bi.com

- 1.) What is the name of this project? _____
- 2.) When will these samples be shipped to the lab? _____
- 3.) What turnaround time is required to meet your project deadlines?
 ≤ 14 business days (*Rush*)* 45 business days (*Standard*) Other: _____
 *Additional fees apply for rush turnaround times.
- 4.) Do you have any firm deadlines for this project? _____
- 5.) Please indicate the item number, quantity, and matrix of each sample to be analyzed in **Table 1**.
- 6.) Are any of the samples for this project considered to be hazardous? No Yes
 If so, please explain: _____
- 7.) Will this project entail sending any foreign (non-US) soil samples? No Yes*
 *If so, refer to SOP 1043 and indicate if these samples require special handling:
- 8.) Does this project have any special quality control (QC) requirements (e.g., field duplicate)?
- 9.) What type of final report does this project require?
 Level: Components:
 I Cover letter, samples and QC results, surrogate recoveries
 II Level I plus Chains-of-Custody, prep, and analysis bench sheets
 III Level II plus chromatograms and raw data reports
 IV Level III plus all run logs, raw data reports, calibration data, standard prep records
- 10.) What is the fate of the samples once the final data has been reported?
 Return to client* Disposal* On-site Storage**(Duration: _____)

* Additional fees apply for return shipping and disposal of hazardous samples.

** An additional charge of \$5 USD/sample per month will be applied for samples remaining in storage after 30 days of the final data report issue date.

11.) To whom should the quote be sent?

Name:			
Company:			
Physical Address:			
Phone:		Email:	

12.) To whom should the report be sent (if different than above)?

Name:

14.) Do you have any additional invoicing requirements?

--

15.) Is your organization eligible to utilize GSA pricing? No Yes

16.) How will you be remitting payment? ACH (preferred) Check

*Please note we can no longer accept payment by credit card.

17.) Do you have any additional requirements, instructions, questions, comments, or concerns regarding this project?
